---

## Application Process

Selection Criteria:

- Applicant is from a country that has been designated as Low or Medium Human Development on the UNDP Human Development Index (a copy of the index can be provided upon request)
- Applicant has demonstrated financial need
- Applicant holds a position that will allow them to build capacity for research ethics

Application Steps:

- Complete this application form
- Submit the form along with supporting documentation (i.e. scholarship decision letters from other organizations, evidence of personal funds, etc.)

Scholarship award decisions will be communicated by:

- **December 31, 2018** (*Spring Session*)
- **January 31, 2019** (*Summer Session*)
